Feb 6, 2019

Dear Ms. Arnaud,

It is with regret that I must inform you that the Trillium Chapter's membership to BMW Clubs Canada has been terminated effective immediately. Please inform your members and make the proper changes to your website, incorporation documents and other material to reflect this change.

A resolution was passed at the recent Members Meeting on February 1, 2019 by unanimous vote. The motion was as follows:

Motion that the BMW Clubs Canada Trillium chapter's membership to BMW Clubs Canada be Terminated effective immediately as per section 4.02(b) and 4.02 (d) of the BMW Clubs Canada Bylaw Number 1. Trillium has failed to maintain the qualifications for membership described in the by-law by contravening or ignoring the following bylaws: 3.05 (a)(b)(c)(g)(h), 3.07, 3.08, 7.02.

BMW Canada, BMW CCA, BMW CCA CR, BMW NA and BCCM will be informed of the change in status shortly.

The Clubs Canada insurance provider will be notified that Trillium's directors and officers are no longer covered by the club policy.

Please note that the use of any BMW club logo, the Roundel symbol, and the text 'BMW' may no longer be used by Trillium in any way.

Sincerely,

Chris Pawlowicz
President
